

STX
INSIGHTS

Capability Statement

STX Insights, a distinguished service-disabled veteran-owned company (SDVOSB), founded by retired senior US Army officers and strategic intelligence professionals, is committed to delivering exceptional services to US government entities and industry. Drawing from decades of experience in global intelligence, our mission is to provide top-tier training, staffing, and consulting solutions to support the critical missions of government agencies and their key industry partners.

CORE COMPETENCIES

Intelligence Expertise

- **Mission Support:** STX Insights excels in providing comprehensive mission support for intelligence operations, sensitive activity planning and support, and tools for maximizing the impact of various intelligence disciplines including HUMINT, CI, OSINT, Cyber, and Signature Reduction.
- **Technical Experts:** We bring the best technical experts to support diverse mission needs, ensuring excellence in execution.
- **Training:** Our team is uniquely qualified to develop and deliver cutting-edge training programs tailored to your organization's unique needs.

Staffing Solutions

- We provide highly skilled and talented personnel to ensure the seamless integration of expertise, supporting various government missions to achieve impactful and measurable effects.

Consulting Services

- **Contract Strategies:** STX Insights forms winning business development strategies for industry partners to secure contracts in the US Department of Defense (DoD) and the US Intelligence Community.
- **Change Management:** Our consulting services extend to managing change and developing organizational culture aimed at delivering the best results.
- **Risk Management:** We offer expertise in risk management for businesses expanding into the European, Asian, and Latin American markets.
